Orange Co. Courthouse

Orlando, Florida

This contract was security electronics only. Norment's Trentech Division supplied, installed, and certified a touchscreen controlled security system featuring over 300 CCTV's, more than 600 access control card readers, a total personnel duress system, metal detectors and X-ray systems, and intercom and paging systems.

This complex consists of a 24-story courthouse building, two 5-story office buildings, a 4-story central energy plant and a 764-space parking garage. The facility is located in downtown Orlando, on a single site of approximately 9.3 acres.
