SECURITY GROUP

# Winnebago County Justice Center

Rockford, Illinois

This 4 - story, 600,000 square foot courthouse and jail combination is located on a 12-plus acre site in downtown Rockford, IL. It is approximately triple the size of the old facility, and houses the new County Jail and all requisite Jail Support/Administration service areas (including food service, laundry, medical, dental, administration offices, training rooms, and exercise areas), the County Sheriff's offices, four courtrooms and offices for the State's Attorney, Public Defender and Court Service departments.

The jail will accommodate 1, 224 beds, as opposed to the older facility which held only 400 beds. Included with the housing areas are General Population, High Security, Segregation, Medical and Mental Health units.

In addition to providing 103 MaxWall cells, Norment Security Group, Inc. provided security hollow metal. security doors, security hardware and locking devices, security glass and glazing, and security detention furnishing for the remaining 687 cells..

Norment's contract was with the Owner, Winnebago County.
