# Vanderburgh County Sheriff's Office

Evansville, Indiana

The Vanderburgh County Sheriff's Office is a 133,446 square foot facility including precast cell modules.

Norment's scope of work included security hollow metal doors and frames, security furnishings, security hardware including 208 pneumatic swings, 19 sliders, air system, security windows, mesh partitions, swing doors and mesh at skylights.

Norment also furnished and installed (by subcontract) fiberglass sandwich panel assemblies and security ceilings and cell padding.
